Mar 11, 1948 10:50 P. M. : Saw mystery light drop and fall in the water
(Thursday night)

Apr 2, 4:40 P. M. : Object resembles a small pilot-less plane - very bright metal - no motor noise and looks like the pictures of the German pilot-less planes. The center was ball shaped and very bright metal. It followed the coast line until out of sight. It came from the south and was heading north.

Apr 2d; 5:10 P. M. (same ~~time~~ date) Object appeared to fall in water. The metal wings were small and evidently broke as it fell since it appeared like sheets of metal dropping at the side. Witness states she saw this clearly.

Apr 2 and 3: "new guided missile of bright metal seen since 2 Apr."

July 1st, 1948 "There is activity in Wildwood again - the saucers have been appearing since 1 July." Mrs. Evans inclosed picture shown in "Life" of the planet "Mars" which shows an orange-red ovular circle.

In letter to President Truman she writes: "there have been more 'flying saucers' which appear on very clear nights - when there is a moon. They appear to come from the SE and from the ocean. Over the island they appear unsteady - like the one that broke. Then over the land they ascend quite high and move towards the NW, disappearing at not too fast a speed."

NOTE: Individual appears to be "crackpot" No one (with the exception of Mrs. Krueger) appears to have seen the many sightings mentioned. This in spite of an alerted coast guard, police dept. and others.
