

~~CONFIDENTIAL~~

Objects were brought to Mrs. Krueger's attention by Mrs. Evans. Mrs Krueger saw "a most unusual thing drop out of the sky. I think it was a flying saucer as I have never seen anything equal to it before" She then states that she saw what appeared to be 2 round orange colored discs or balls, the one being smaller, and that these objects appeared to descend vertically toward the earth in a slow and steady manner until disappearing from their sight. Mrs. Evans said that Mrs Krueger observed two objects (apparently related) but that they were originally one object which seperated at about the time Mrs. Krueger sighted it.

All witnesses+ (Mrs. Evans, her son and Mrs Krueger) agree on the following:

Color and size - that of an old-fashioned gas light which had a yellow, red or amber shade. Outline was distinct and did not appear aflame or irregular. No noise or sound of kind. No smoke or exhaust trails seen. Shape oval to round. All stated that it was not to their knowledge a balloon, dirigible, flare, parachute or any other known object and all seemed to have a pretty good knowledge as to the appearance of the fore-going.

NOTE: Witness appeared calm and normally sensible in her responses to various questions.
