

Incident: 191

At 1545 CST 24 Oct 1948 Capt Glenn Huber, Base S-3 Officer, Ft Riley, Kansas, sighted an unidentified metallic object proceeding in a general westerly direction. The object was viewed from a ground position 10 miles from Junction City, Kansas. Altitude appeared over 7,000 feet. It was traveling with the speed of a fast aircraft. It then turned south at a speed greater than any aircraft he had ever seen. Visibility was excellent. Wind South-Southwest.
