Incident: 203

A bright flaming orange object similar in shape to an egg with a tail was observed near Peace River, Alberta Province, some 250 miles NW of Edmonton, by 1st Lt James Toomey & S/Sgt Onno C. Blink, Radio Operator, while on first leg of flight from Edmonton, Alberta, Canada, to Kittigauit, N. W. . The object was momentarily sighted above a deck of broken stratus clouds. The crew were flying at 7,000 ft MSL on top of an overcast when the object was sighted. Altitude was judged as approximately 18,000 feet and the object appeared in a shallow dive. There was no sound. Object had a tail which tapered to a point. It was on a southwest heading at an unknown speed. As it passed it momentarily illuminated the sky behind it.
