MEMORANDUM

To: Mr. Armstrong

Paul Nitze asked me what the Air Force thought about the flying saucers, and I suspect that the others would be interested. I recommend, therefore, that you pass on the gist of the attached at the morning meeting tomorrow. Samford gave it to me at the IAC.

Att.

Subsequently at lunch 5th floor
Paul asked me about it so I
have given the gist of this
to Paul, Doc, Howland, McFall.
