3 'Objects' Trailed Plane 45 Minutes, Pilot Says

0 Flying

DETROIT, Feb. 25 (AP) — The pilot of an American Airlines DC6 passenger plane said today three mysterious objects that looked like shining saucers appeared to accompany the plane for 45 minutes last night on its non-stop flight from Newark, N. J., to Detroit.

Killian and co-pilot John Dee of Nyack, N. Y., said they lost the three strange objects in the haze when they started their descent for landing at Detroit's Metropolitan Airport while the plane was over Cleveland, Ohio.

Capt. Peter Killian of Syosset, N. Y., who has flown passenger planes for 15 years, said "I have never seen anything like it before."

The three bright whitish lights first were sighted while the plane was flying at 8500 feet between Philipsburg and Bradford, Pa., at 8:45 p. m.

Killian said other members of the crew and the 35 passengers also saw the flying objects. The plane left Newark at 7:10 a. m.
