To Fan Hysteria

'Saucers'
U.S. Fiction**

LONDON —(AP)— A Soviet commentator Saturday accused "aggressive forces" in the United States and other countries of inventing flying saucers to fan war hysteria.

Moscow radio broadcast excerpts from an article by K. Khachaturov in the Soviet army newspaper Red Star, saying:

"Those who spread these fables are endeavoring to create the impression that the mysterious object originate from Moscow.

"The mythical 'saucers' take off from the pages of the bourgeois press every time the ruling circles of this or that capitalist country, on orders from Washington, are trying to foist upon their people the new burden of military expenditure."
