

apology in the "Boston Post" this week.

This criticism of people who make these reports is very unfair. Everyone from oculists to psychiatrists slammed them, publicly, in articles. It is a

poor way to thank people for their efforts. ~~anyone~~ Someday, when something will happen when they are needed, ^{these people} they probably will not bother ^{MISS FINKELESTEIN} Miss C. Finkelestein. ^{FORMERLY OF KEENE N.H.}
