

Mr. J. Edgar Hoover
Wash. D.C.

Doesn't it seem wisest for you to forbid papers - (No not forbid - but ask the co-operation of all papers) to keep all news of those discs out of the news until you are sure just what they are & where from.

Seems to us with all the enemies we have, even within our borders, it could be something far more important than may seem at first. I had 2 sons in this war & another who over-did for his America - & we do want it really protected from danger from now on. Enough are dead & maimed - with-out losing out now as it easily could be. Why have the papers carried that story if reporters were made to see how much more sensible not to report - it except to the F.B.I.

There is too much of danger ahead anyway --

Hastily
