**MORE SEEN LATER.**

Several late flights of objects over Portland were reported Friday afternoon. E. A. Evans, 3433 SW Macadam avenue, said he saw three fly east across the Willamette river near the Ross Island bridge about 2 p.m.

The objects did not appear high, he said, and were traveling so fast that, appearing in the west, they were out of sight in the east in two to four seconds. He said they resembled metallic disks glinting in the sunlight.

Later, he said, he and neighbors saw a single disk-like object flying north far away and very high.

C. J. Bagne, Tigard, reported that four disks flew past Mount Jefferson at about 11 a.m. while he was driving near Redmond.

Sherman Cook, 2000 NE 65th avenue, recovered from Rose City golf course a piece of paper he said had fallen from a great height in the sky. Time of its fall coincided with some of the reports of flying disks. The paper, of low quality, measured 23 1/2 x 36 inches.
