

This information will help settle some disturbing questions the readers of my articles. Personally I am not sure at all whether I can fully accept these rumours as facts. I need more information.

Any information you supply can ease the worries of people who feel that the objects unknown they see in the sky may portend the visit of a mysterious visitor.

Yours Truly,
Mr. Larry Stephens

P.S. If there are any pamphlets covering the FBI's functions you feel I will need, please send them along.
