FOR Appropriate Action

Dear Sirs:

In approximately seven months or January, 1972, certain copies of top-secret documents shall be sent to the New York Times as well as two other newspapers. These documents are related to and will be an ostentation of the involvement of the pentagon in the controversial "Unidentified Flying Objects" or "Flying Saucer" subject. It will show that not only the U.S. Air Force was involved in UFO research but the other military branches as well.

Analysis and the actual conclusions of the classic UFO cases shall be revealed. This shall be accomplished by zeroxed documents and photographs that General Wolfe had reviewed when he was head of the Army's UFO support program in the Pentagon during the Eisenhower years.

Sorry, but it is concluded here that this is the best course to take because we feel that the secret UFO investigations are parallel in nature to the Times-Pentagon Vietnam controversy. If we are wrong in taking this action, time will tell.
