Reference is made to your telephonic conversation with the Director on Wednesday of last week, at which time the Director advised that Los Angeles papers carried under a Washington date line an article indicating the Soviet espionage agents in the United States are under instruction to solve the flying discs. Such instructions were believed to be based on the assumption that the flying discs were a secret weapon of the Army or Navy. The article attributed the source of its information to a Federal investigative agency.

Pursuant to your instructions, liaison representatives have contacted the Headquarters of Military Intelligence, the Headquarters of the Air Forces Intelligence, Office of Naval Intelligence and CIG. All agencies denied any knowledge of the flying discs, as well as any knowledge of the basis for this article.
