Flying Discs  
Miscellaneous

Mr. WENYON stated that what he had seen traveled at such a high rate of speed that it was very difficult to describe it, but the description "flying mayonnaise jars" was concocted by the newspaper reporter.

This information has not been brought to the attention of any Army sources in view of the fact that only a preliminary inquiry was conducted on the basis of a news article which sets forth essentially the facts obtained from Mr. WENYON.

No further action in this matter is contemplated by this office unless advised otherwise by the Bureau.
