RE: FLYING DISCS SIGHTED BY FRED
CRISMAN and HAROLD A. DAHL,
TACOMA, WASHINGTON
SM - X

Dear Sir:

The following, in general, are the facts regarding the flying disc story that started by FRED CRISMAN and HAROLD A. DAHL which subsequently resulted in news stories by the Tacoma Times, the Boise Statesman and the Chicago Times that a B-25 carrying Army Intelligence officers was shot down or sabotaged over Kelso, Washington on August 1, 1947 because it was carrying some flying disc fragments.

The original story, as related by FRED CRISMAN and HAROLD DAHL, was to the effect that DAHL, while patrolling in his boat near Maury Island, Washington, sighted six flying discs, one of which fluttered to the earth and disintegrated, showering his boat with fragments which caused some damage to the boat and killed his dog. HAROLD DAHL wrote a letter to RAY A. PALMER of Ziff-Davis Company which publishes fantastic adventure magazines in Chicago, sending him fragments of the flying disk and relating the above story. RAY PALMER requested Trans-Radio News in Chicago to verify the story as related by HAROLD DAHL and FRED CRISMAN telegraphed RAY PALMER confirming DAHL's story. RAY PALMER then engaged KENNETH ARNOLD, Boise, Idaho, who was the first to report sighting the flying disc and whom RAY PALMER had previously made a contract for a story regarding the flying disc, to come to Tacoma and check the story as related by FRED CRISMAN and HAROLD DAHL.

KENNETH ARNOLD came to Tacoma, Washington July 30, 1947 and arranged for a meeting the following day, July 31, with FRED CRISMAN and HAROLD DAHL in his room 502, Winthrop Hotel, Tacoma, Washington. KENNETH ARNOLD also called to attend the meeting Captain EMIL J. SMITH, United Airlines Pilot who had also reported seeing flying disc fragments, and Army Intelligence to attend
