Major General George C. McDonald
Assistant Chief Air Staff - 2
The Pentagon
Washington, D. C.

Dear General McDonald:

The Federal Bureau of Investigation has been requested by your office to assist in the investigation of reported sightings of flying discs.

My attention has been called to instructions disseminated by the Air Forces relative to this matter. I have been advised that these instructions indicate that the Air Forces would interview responsible observers while the FBI would investigate incidents of discs found on the ground, thereby relieving the Air Forces of running down incidents which in many cases turned out to be "ash can covers, toilet seats and whatnot."

In view of the apparent understanding by the Air Forces of the position of the Federal Bureau of Investigation in this matter, I cannot permit the personnel and time of this organization to be dissipated in this manner.

I am advising the Field Divisions of the Federal Bureau of Investigation to discontinue all investigative activity regarding the reported sightings of flying discs, and am instructing them to refer all complaints received to the appropriate Air Force representative in their area.

Sincerely yours,

J. Edgar Hoover
