Reference is made to your letter dated April 4, 1949, captioned "Protection of Vital Installations." You are instructed in the future to report information relating to flying disks under the above caption.

EX-111

In regard to your request for information that would substantiate or discredit the statements made by Walter Winchell on his broadcast of April 3, 1949, your attention is directed to SAC Letter No. 38 dated March 25, 1949, captioned "Flying Disks."

For your strictly confidential information, the data contained in SAC Letter No. 38 was obtained in confidence from a colonel in the United States Air Materiel Command, who obtained his information from persons actively engaged in the investigation of this subject.

No interview with Walter Winchell will be made by the Bureau concerning the source of his statements referred to in your referenced letter.
