

that there were thousands of them. They were supposed to be the rocket type.

Now Mr. Hoover this was told me in 1944 or 43. at the time I wrote it all down and never thought any more of it until lately. and maybe I am foolish, but I thought maybe this had something to do with the flying saucers, if true.

I am a true American and love my country and if I can do any service for my country I am glad of it.

The flying saucer could be more dangerous than we think.

Respectfully yours.

Mrs. Frank Gardner

p.s.

I lived within a few miles of Mexican border when this was told me.

in Texas.
