Mr. Glavin

On July 17, 1949, the Office of the Assistant Chief of Staff, D-2, Fort Worth, advised that a small article which had appeared in the Fort Worth Star-Telegram on July 10, 1949, advised the fact that the Young Men's Business Club of Alexandria, Louisiana, announced that it was planning a convention for persons from all over the nation who have seen "Black Legion". It was noted that the convention was planned to meet members of the Black Legion. It was also noted that flying disks were reported twice before each preceding the article in Alexandria, Louisiana.

The above is furnished as a matter of information.

Very truly yours,
