You inquired as to what was being done with reference to the information concerning flying saucers, which information was furnished by Ernest Cuneo.

I desire to advise that a letter is being prepared for the Los Angeles Office suggesting that they make a discreet check of the background of the individual who wrote the letter to Winchell and thereafter interview him for details.

It is believed that a letter is satisfactory inasmuch as it is noted that this alleged incident occurred in 1947.

This should have been done the first thing Monday instead of waiting until Wed to get it out
