SUMMARY OF INFORMATION

At about 1430 hours, 22 May 1950, the attached (See Inclosure 1) "photograph" was turned over to Agent John F. Quinn, CID, New Orleans Port of Embarkation. The individual who turned this material over to Quinn told him that he had purchased the "photograph" from one Michael HALPERY, 2453 Urquhart Street, New Orleans, Louisiana, for the sum of \$1.00. He stated that he thought this material "should be placed in the hands of the Government", as it was supposed to be pictures of "flying saucers" and "a man from Mars in the United States". The "man from Mars" was pictured as being in the custody of two military policemen. (B-2)

The individual turning this material over to Quinn gave his name as John R. Esposito, 615 Piety Street, New Orleans, Louisiana, and his telephone as Hywater 5190. (B-3)

According to Esposito, HALPERY is alleged to have served five (5) years in the Federal penitentiary at Leavenworth, Kansas. (B-3)

No interrogation of Esposito was conducted by Agent Quinn. (B-2)

COMMENT: A literal translation of the caption under the alleged photographs stated that a special infra-red machine was used to take these photographs because the "flying saucers" were invisible to the human eye. Also, the sound emitted by the two pictured "saucers" was of such high frequency as to be above frequencies audible to the human ear. The caption continues by stating that an accident occurred to one of the "saucers" and the individual shown in custody of United States Military Police in the right hand photograph was a "Mr. X", a member of the crew of one of these "flying saucers". The location of both photographs was stated to be Weisbaden, Germany.
