

Director, FBI, 7/31/50

Mr. PETRONE states that no one connected with the Midwest Times knows of anyone named "ALBERT HOLMBERG", nor do they know of anyone who lives in the circulation area of their paper with that name. The Midwest Times has a circulation of 15,000 copies which papers are distributed in a small area in the northwest section of Chicago.

Mr. PETRONE stated he did not want to publish this letter as he felt the Army desired that the matter be kept confidential. He will contact this office again if he receives the "zinc cuts" or has any other correspondence from HOLMBERG. He felt that HOLMBERG might send the same information to other publishers who may print the story. \*

There was no return address for HOLMBERG on either the envelope or the letter. There is, however, an ALBERT HOLMBERG listed in the telephone directory at 2065 North Kedzie and an ALBERT F. HOLMBERG at 11328 South Prairie Street, Chicago.

This information is being transmitted to the Bureau for such action as it deems appropriate.

The Chicago indices are negative regarding HOLMBERG.
