Mr. J. Edgar Hoover
F. B. I.
Washington, D. C.

Dear Sir:

I have been thinking about the
situation in the past few days
and I believe that I should
write you to advise you of the
situation as it stands.

Of course it could be that I am
wrong and that I am not
warranted in my opinion. I have
been advised by several people
that they have received some
information.

I am not inclined to pass this
information on to anyone else
at this time. I believe that
it is best to keep it confidential
at this time.

I believe it is very important
to make sure the location of
any one who is in a position
to know the truth is kept
secret.

I am sure that you will
understand my position. I
am also sure that you will
take the necessary steps to
protect the information.

I hope that you will
interact with the information
in any other country. I
am sure that you will
take the necessary steps.
