RECORDED-30

Dear Mr. Jennings:

I have received your letter of August 5, 1952, and want to thank you for making the information contained therein available to this Bureau.

FX - 69

The matter referred to in your letter is not within the jurisdiction of this Bureau and I have taken the liberty of forwarding a copy of your letter to the Department of the Air Force for appropriate action.

Very truly yours,

John Edgar Hoover
Director

cc - 1 - Detroit

Note for Detroit:

Mr. Jennings advised the Bureau, in his letter, of his theory regarding flying saucers. It was Mr. Jennings' opinion flying saucers are manufactured by General Electric or General Motors Research Laboratories, consist of aluminum tanks filled with helium gas under pressure, and work on magnetic principles.
