Flying Discs

F.B.I. Wash. D.C.

Gentlemen:- Dear Sirs.

I have a theory on the so called flying saucers.

I don't know where to write to express my opinion.

But yours is the best office in the land when it comes to investigations.

W. H. X JENNINGS

If and when I get ready to commit a crime I will expect to get caught but so be it.

If the flying saucers are real then in my opinion they are not from another
