FLYING SAUCERS  
OSI LIAISON

EX-25

Reurlet August 7, 1952, in which you stated that at a weekly liaison conference held in Philadelphia Major H. B. Eldridge advised that OSI is no longer interested in receiving reports concerning flying saucers.

OSI, as the official Air Force liaison agency, has agreed to accept reports regarding flying saucers and to transmit these reports to the Air Technical Intelligence Center at Wright-Patterson Air Force Base, Ohio, where all information pertaining to flying saucers is coordinated. If Major Eldridge still insists that he does not desire to receive reports regarding flying saucers, you should advise the Bureau and the matter will be discussed further with OSI Headquarters in Washington, D. C.
