MEMORANDUM FOR: MR. *WAF* COX

SUBJECT: Comments on Article in The NEW YORKER

1. A call was made to the Air Technical Intelligence Center, 1330 this date, (Captain Ruppelt) regarding the attached article.

2. ATIC did not in any way indicate to Mr. ^{Daniel} Lang that the FBI has an interest in flying saucers. Furthermore, Captain Ruppelt stated that the FBI to his knowledge has never been called upon to furnish reports on flying saucers. ATIC is under the impression that Mr. Lang made the story up or picked it up from a magazine or newspaper article sometime back that definitely was not associated with their organization.

3. ATIC suggests that you check further with Mr. Al Chop, Office of Public Information, and perhaps he can supply you with the information you have requested.
