Gentlemen:

A book was published in 1953 by

Desmond ~~X~~ Leslie and George ~~X~~ Adamski

no hae

~~X~~ "Flying Saucers Have Landed"

Publishers - The British Book Centre,
New York City.

○ Is this book fact or fiction, are there
Flying Saucers from other planets landing
on the earth? Has the story told by George
Adamski about his contact with the man from
Venus any foundation in fact?

Please answer, many thanks,
