According to Mrs. SWAN, these "bells" or "flying saucers" would appear over many nations of the world during the latter part of August 1954, and would come close enough to the earth so that they could be seen by man and that they in turn would be able to see people on the street.

*date* | HUTSON stated that Admiral KNOWLES wrote a letter to MARGARET CHASE SMITH, Senator from Maine, concerning this information, who forwarded the information to the Secretary of Defense and copies were sent to the Army, Navy, and Air Force. According to HUTSON, KNOWLES also wrote a letter to the President of the United States.

*date* | HUTSON stated that none of the persons involved in this matter were interested in publicity. He stated that he would be willing to assist the Bureau in the investigation of this matter if the Bureau desired, inasmuch as he believed Mrs. SWAN and Admiral KNOWLES had confidence in him.

HUTSON described Mrs. FRANCES SWAN as being of middle-class circumstances, having a very modest home with furniture below middle-class. He stated that she has no more than a high school education, if she has that. He considered her to be a very simple minded person, religious, a student of the Bible, and one who has studied spiritualism and other thought control systems.

The above information is being made available to the Office of Special Investigations, United States Air Force, and no further action is being taken by this office.
