

Mrs. Swan complained to the people in "outer space" that this buzzing sound gets very annoying and painful to her ear. She also stated that the messages had been coming since May 27, 1954, and would come at all times of the night and consequently she was losing a great deal of sleep. According to Hutson, Mrs. Swan arranged a schedule with the people in "outer space" so that the messages would not interfere with her sleep. Hutson advised that a schedule was arranged between Swan and the people in "outer space" that she would receive messages on the following schedule: 8:00 in the morning, 12 noon, 6:00 in the evening, every day of the week.

Hutson stated that Mrs. Swan's husband, Guy Swan, and their daughter, Dawlyn, had also heard the buzzing sound in their ears, but have not been able to receive transmissions or messages. Hutson stated that the transmissions related to flying saucers, location and why they were here, life on other planets, and life in the hereafter, and prophecies in the Bible. Hutson advised that Mrs. Swan could contact people in "outer space" by mental thought control.

According to Hutson, Mrs. Swan stated that there were two space ships from which she had been receiving messages. They were described as 150 miles wide, 200 miles in length, and 100 miles in depth. Hutson stated that these ships are designated as M-4 and L-11 and they also contain mother ships which measure approximately 150 to 200 feet in length. Hutson related that Swan had informed him that there were approximately 5,000 of these mother ships. He stated that "Affa" is the Manager or the Commander of the ship M-4 which is from the planet Uranus and "Ponnar" is the Manager or the Commander of the ship L-11 which is from the planet Hatann. Hutson related that Mrs. Swan stated that these contacts with "Affa" and "Ponnar" were for the purpose of protecting our own earth from destruction caused by the explosion of the atom bomb, hydrogen bomb, and wars of various kinds which they, "Affa" and "Ponnar," say disrupt the magnetic field of force which surrounds the earth. Hutson stated that Mrs. Swan also related that contact was made for the purpose of protecting the whole universe because if the "fault lines" break or go to pieces, it would affect the entire universe. According to Mrs. Swan, Hutson stated, "Affa" and "Ponnar" are presently working the area of the Pacific Ocean repairing "fault lines" which are in danger of breaking.
