Gentlemen:

A recently formed organization named the "Detroit Flying Saucer Club" held a meeting as per enclosed literature. As the programs unfolded and in face of loyalty statements by the principals I began to wonder.

Here is an organization dealing in the fantastic enshrining a god following. Fund raising is no problem as their attendance for the night was 1,000 at one dollar each. They also passed out petitions requesting release of secret information. They are international in scope and have national, state, local and even neighborhood study groups.

This whole set-up would be ideal as a communist front organization. It likely is 100% loyal. But anything could happen and you are the people who can watch it.

Sincerely,
L. P. Wagner
