Remylets to the Bureau dated 6/8/54 and 7/22/54 captioned, TRUMAN BETHURUM, FLYING DISCS, MISCELLANEOUS - INFORMATION CONCERNING (ESPIONAGE), Bufile 62-83894.

Attached for the Bureau's information is the 10/1/54 "Newsletter" of the Civilian Research, Interplanetary Flying Objects, designated Vol. I No. 7, which has the address P. O. Box 1855 (Cincinnati, Ohio), and which identifies LEONARD H. STRINGFIELD, 7017 Britton Avenue, Cincinnati 27, Ohio, as the director of the organization. On the first page of this "Newsletter" STRINGFIELD reports that he had a private talk with Lt. Colonel JOHN O'MARA, Deputy Commander, Intelligence, U. S. Air Force, on 9/21/54 and that in essence Colonel O'MARA had told STRINGFIELD that flying saucers do exist and that past contradictions were unfortunate.

There is also enclosed a newspaper clipping from the Cincinnati Times Star dated 9/28/54, entitled, "Saucers" No Myth, Says Researcher. This article refers to the "Newsletter" enclosed and also reports on the interview of STRINGFIELD with Lt. Colonel JOHN O'MARA, Deputy Commander, Air Force Intelligence, Wright Field.

In addition, there is enclosed a second clipping, this being from the Cincinnati Post of October 11, 1954, entitled, "See 'Em?---Saucers Cover City". This article reflects that several persons in Cincinnati had cited flying saucers and had reported them to LEONARD H. STRINGFIELD.
