RE: AERIAL PHENOMENON RESEARCH GROUP  
MISCELLANEOUS INFORMATION CONCERNING

Dear Sir:

Mrs. Margaret Blunt, 7606 Sweetbriar Road, Richmond, Virginia, advised this office on January 2, 1957, that she had received a letter from captioned organization requesting she furnish any information she might have relative to her alleged observation of a "flying saucer" a year or so ago near Richmond, Virginia. Mrs. Blunt informed she is employed by the Richmond Quartermaster Depot of the United States Army and it was while on her way to work one morning that she had sighted the object in question. She stated that several other women employees of the Depot were present and subsequently one of these women had told a newspaper reporter about the incident and all their names had appeared in the papers.

Mrs. Blunt advised that she was reluctant to answer the letter as she felt it could be an illegal or subversive group who was trying to obtain information they should not have. She pointed out that she knew nothing about the organization but the correspondence did not reflect the group was connected with the United States Government in any way.

She informed that the letter indicated the group was a national organization whose duty it was to investigate any and all unusual aerial phenomenon. It also reflected that one Bob Gribble was the Executive Director and Jim Ewart was the Director of Investigations. The address for this organization was shown to be 5108 Finlay Street, Seattle, Washington.
