is unforgeable but that is what did happen
anyway. The morning that I found the newspaper
I went upstairs and looked down across
the orchard to the river and there was
the flying saucer. It was made of transparent
material like glass it was dome shaped
like an eskimo hut. Inside was a large
ring (like a napkin ring) only huge and every
thing was inside this ring and as I looked
the whole ring was lit up in colors and
I could no longer see inside the ring. It
rose straight up and showed very plainly a-
gainst the trees but after it was above the
trees it looked just like a star. Pilots probably
saw them many times and didn't realize
what they were looking at. They probably didn't
use this for outer space travel but had a
huge ship plane somewhere and used this
only for travel on this earth, they probably
had more of them somewhere. My husband died
two years ago so I rented the farm and
my daughters and I live in Elkhart Ind now.
So I don't know if they ever came back or not.
I know that I have no proof that this is true
but I thought I'd see if the government did
believe any of it. Outer space people can read
