SUBJECT: MR. JAMES MANN, 1907 N.W. 11th St., Oklahoma City, Oklahoma (Oklahoma File No. 44-204-100)

Rebulet 12/9/58 to JAMES MANN of Oklahoma City with copy to the Oklahoma City Office.

On 12/8/58 JAMES MANN, 1907 N.W. 11th St., Oklahoma City, Oklahoma, was contacted by SA J. A. CHAMBERLAIN and advised that the FBI had not discovered the investigation of flying saucers and that the FBI does not conduct investigation concerning unidentified flying objects (UFO).

JAMES MANN, who advised he is 43 years of age, advised he had read reports in some of the literature concerning the UFO which indicated that the FBI had discouraged some of the investigators from carrying out their research. He examined a copy of a publication entitled "The Government Bulletin" which would not be given to the investigator. Agent Mann had reviewed the publication from an independent source. An examination of the publication reflected it to be Vol. 3, No. 1, released October 22, 1958, advised and published by CHAT BARKER, Box 222, Clarendon, Virginia. The publication consisted of reports of UFO sightings, several book reviews and advertisements for UFO. Page 40 of the publication contained an advertisement for BARKER consisting in part of a letter which stated that he had received from a researcher in the western part of the U.S. This letter stated in part as follows:

Dear Mr. Barker:

"I have often wondered from that eluded number. I am a member of the answer because I was often told that the answer lies in the All these labels are the same. It was the same from the other states that were contacted to find out what was going on."
