Flying Saucers -

Director of Field Investigations,
Unidentified Flying Objects
The Federal Bureau of Investigation
Washington, D. C.

Dear Sir:

It is my understanding that the F.B.I. has participated in the Government's program of investigation of Unidentified Flying Objects (UFO).

How many UFO sighting reports involving alleged photographs or films of unconventional aerial objects has your organization collected, evaluated, or analyzed since January 1, 1952 to present? Has the F.B.I. ever been furnished with an analysis of maneuvers of UFO's ?

I understand that congressional closed-door hearings are being held on the UFO subject. Has any F.B.I representative ever given testimony in these hearings ?

aw

Yours sincerely,

Larry W. Bryant
