SUBJECT: ~~X~~ AERIAL PHENOMENA RESEARCH GROUP
MISCELLANEOUS

"The Anniston Star", Anniston, Alabama, daily newspaper, published an article on April 2, 1959, entitled, "Flying Saucer Witnesses Urged to Send in Data". This article said that the Aerial Phenomena Research Group, 5108 Findlay Street, Seattle 18, Washington, would like to get a report from people who have seen "Flying Saucers".

On April 3, 1959, Lt. Colonel OLIVER R. HERTEL, Fort McClellan, Alabama, advised that 5108 Findlay Street, Seattle 18, Washington, is believed by him to be the address of the chauffeur for the Russian Consul in Seattle, Washington. HERTEL advised a Special Agent of the 111th CIC Group at Fort McClellan that about five months ago he looked over a list of Russians and their addresses when he visited the office of the Chief Chemical Officer, Department of the Army, Washington, D. C.

The Seattle Office is requested to ascertain who lives at 5108 Findlay Street, Seattle, Washington, and whether this address has any connection with a chauffeur for the Russian Consul.
