Perry contacted Flint RA 3/4/60 advising he had been professional photographer, had taken photographs of moon and after developing same noted what appeared to be flying object in one of them. Perry furnished information to press. Flint RA received press inquiry, advised only that Perry had turned 2 slides over to FBI and they were being made available to appropriate authorities. Detroit Times advised 3/9/60 FBI has not and is not conducting investigation concerning slides but turned over the information to the Air Force. When slides turned over to Air Force, they were requested to return slides to Perry and advised that no action contemplated by the Bureau and was being referred to them for any action they deemed advisable.
