

RE: UNIDENTIFIED FLYING OBJECTS,  
INVESTIGATIVE SOCIETY;  
GEORGE W. VAN TASSEL

The major part of his lecture was devoted to explaining the occurrences in the Bible as they related to the space people. He said that the only mention of God in the Bible is in the beginning when the universe was being made. He said that after that all references are to "out of the sky" or "out of heaven." He said that this is due to the fact that man, space people, was made by God and that in the beginning of the world the space people came to the earth and left animals here. These were the pre-historic animals which existed at a body temperature of 105 degrees; however, a polar tilt occurred whereby the poles shifted and the tropical climates became covered with ice and vice versa. He said that then the space people again put animals on the earth and this is depicted in the Bible as Noah's Ark. He said that after the polar tilt the temperature to sustain life was 98.6 degrees, which was suitable for space people, so they established a colony and left only males here, intending to bring females at a later date on supply ships. This is reflected in ADAM's not having a wife. He said that ADAM was not an individual but a race of men. He said that this race then inter-married with "intelligent, upright walking animals," which race was EVE. Then when the space people came back in the supply ships they saw what had happened and did not land but ever since due to the origin of ADAM, they have watched over the people on earth. He said that this is recorded in the Bible many times, such as MOSES receiving the Ten Commandments. He said the Ten Commandments are the laws of the space people and men on earth only give them lip service. Also, the manna from heaven was bread supplied by the space people. He also stated that this can be seen from the native stories such as the Indians in America saying that corn and potatoes, unknown in Europe, were brought here by a "flaming canoe." He said this refers to a space ship and the Indians' highest form of transportation was the canoe, so they likened it unto that. He said this can be shown also by the old stories of Winged Chariots and Winged White Horses, which came from out of the sky. He said that JESUS was born of MARY, who was a space person sent here already pregnant in order to show the earth people the proper way to live. He said the space people have watched over us through the years and have tried to help us. He said they have sent their agents to the earth and they appear just as we do; however,
