Dear Sirs:

I would appreciate it very much if you could give me the answers to two questions. The questions are as follows:

- (1) Are you under orders to withhold information dealing with unidentified flying objects and the occupants therein? If not, are the files on these cases open to public inspection?
- (2) Are you under orders to withhold information dealing with mysterious disappearances, especially those linked with the afore mentioned ufos? If not, are the files on these cases open to public inspection?
- (2a) If the answer to question #1, part a is no could you please answer the following:  
Has a flying saucer, or interplanetary craft of any kind, been captured by the US Government? If yes, were there any occupants and where were they taken.

Any help would be welcomed.

Yours truly,

  
RG Mastroberte
