Dear Sir:

This morning, your Levittown agent John E. Gattler visited me at my office at Fort Detrick, Virginia, and questioned me about 10 minutes regarding my interest in reports of activities of subjects cited in your letter (NY) -- namely a letter which I wrote to you in 1959 and two of my recent letters to local state and federal agencies regarding the role of those agencies in processing the reports.

Mr. Gattler stated that the objective of this interview was to determine my official activities and my motive for writing as a private citizen the letters in question. He also told me he was going to prepare a "memorandum for the file" on this interview. I request that you furnish me a copy of this memorandum or report.

Yours very truly,

Levittown, Virginia
