NOTE:

A police officer described as sober, dependable, mature, and not known to engage in flights of fantasy reported seeing an unidentified flying object rise from the earth with a roar, emitting bluish and orange flames and disappear over a distant mountain. When he reported his observations, representatives of the local law enforcement agencies searched the scene and noted four small irregularly shaped smouldering areas and four regular depressed areas at the site. The unidentified flying object was described as oval shaped; about twenty feet long; with a red insignia; there is no indication in the referenced teletype that Air Force had been advised. Our policy is not to investigate but assure that Air Force is cognizant. Military is investigating and Albuquerque Office is maintaining liaison.
