Flying Saucers

Dear Mr. Hoover:

U.S.A.
Enclosed with this letter is a sheet of condensed facts concerning two supposed visitors from outer space, which is taken from Harold T. ~~X~~Wilkins book "Flying Saucers On The Attack." Since the F. B. I. was reportedly involved in the investigation I would like to know if the story concerning the supposed visit is true, a possibility, or just plain science fiction.

If the story is true and/or if the F. B. I. has a report on this case in its files, I would appreciate a copy of that report. If it is impossible to forward me a complete copy of the report please send a summary of the report.

I realize this story sounds fantastic but I would appreciate a reply, since it is actually suppose to have occurred.

Sincerely yours,
Charles E. Bilbo
