

Mr. J. A. Hennessy

NOTE: Entries reflect that an unidentified flying object was sighted near Phoenix, New Mexico, on April 2, 1966. Captain Robert United States Air Force, along with SA Arthur Byrnes, Jr., interviewed one James Kinross of the Phoenix Police Department who had observed the phenomenon. SA Byrnes typed such a statement from Kinross which was later included in a memo for dissemination. The Phoenix Office did not conduct any investigation other than to keep the Bureau advised and maintain liaison with the SA local. This is especially the situation to which the correspondence is referring. Entries contain no information identifiable with the source provided.
