Dear Mr. Snigier:

Your letter of April 11th has been received.

With respect to your inquiry, sightings of Unidentified Flying Objects are not a matter within the investigative jurisdiction of the FBI. Inasmuch as your communication is of interest to another governmental agency, I am referring a copy of it to the Office of Special Investigations, Department of the Air Force.

Sincerely yours,
J. Edgar Hoover

NOTE: Snigier is not identifiable in Bufiles. Joseph F. Perry of Grand Blanc, Michigan, was contacted by Bureau Agents from our Detroit Office at his request in March, 1960, regarding photographs he had taken of what he believed to be unidentified flying objects. These photographs were turned over to the Office of Special Investigations of the United States Air Force by our Detroit Office. Perry reported to the local paper that the FBI was conducting an investigation and it was necessary for this Bureau to straighten the record with that newspaper. Perry was advised that we had furnished his photographs to the Air Force and he subsequently wrote to the Director in April, 1960, indicating he was looking forward to the completion of the Air Force analysis of his photographs and their return to him. A copy of his letter was referred to the Air Force for a reply to him.
