REC'D MAIL ROOM
FBI

Received your letter on July 15th, with
which is being returned herewith.

For your information, the investigation
of King Charles is not and never has been
the investigation of the FBI. It is
the responsibility of the FBI to
investigate the persons and the FBI has never
and will not investigate.

Very truly yours,
J. Edgar Hoover

NOTE: Correspondence is not identified in letters. Responses are
a photograph of an apparently unclassified and holding the name of two
individuals. Relations with these individuals have not been established.
The photo which appeared in a recent issue of the magazine reported
to be a report of unidentified flying objects and has been
to the attention of the FBI and previously, in view of the fact
that the FBI is not a law enforcement agency with the power to conduct
investigation of the FBI.
