Dear Mr. Hoover,

Just recently I bought a copy of the magazine, "Real." This issue had a great deal of pictures about unidentified flying objects and it also had a photo of two F. B. I. agents leading a silver-clad man, about one and a half to two feet tall, down an american street. I know this sounds extraordinary, but this is what it had. The photo was probably faked but I wanted to be doubly sure. Please write me and tell me if there is any truth to this photo. Also this photo was first published by some odd chance in a Cologne, Germany newspaper.

Yours truly,

/s/

Steven G. Gray
