SUBJECT: Report on Local "Flying Disc"

7795

TO: Commanding General
Fourteenth Air Force, ADC
Orlando, Florida
Attn: A-2

1. Inclosed herewith is a photograph of the "publicized flying disc," which was reportedly witnessed over Birmingham on the night of Sunday, 6 July 1947.

2. Attention is invited to the two light spots on the print and the light trail following the two discs. The arrow at the top of the photograph indicates the direction of flight. This has been examined by professional photographers in Birmingham and their general opinion is that the two spots shown on the light trail ~~are~~ ^{are} no flaws in the negative, but instead, an actual photograph of the mysterious disc.

3. The undersigned officer did not personally witness the flight of any disc, however, in view of the numerous reports received from the citizens of Birmingham, it is the general opinion in Birmingham that "something was in the air." Attached hereto as inclosure number two is a statement made by the only military personnel of this organization who personally witnessed the flight of the mysterious disc. For additional information attached as inclosure number three are clippings from one of the local newspapers giving an account of the many persons who reported seeing the many mysterious objects.

4. The intelligence officer of the Alabama Military District has forwarded a similar report through ground force channels to the Commanding General, Third Army, Atlanta 3, Georgia.
