

UNIDENTIFIED FLYING OBJECT

Insignia was about two and one-half feet high and about two feet wide, guess. Was in middle of object, like

. Object still like aluminum-white.

After fell by car and glasses fell off, kept running to north with car between me and object. Glanced back couple of times. Noted object to rise to about level of car, about twenty to twenty-five feet, guess--took I guess about six seconds when object started to rise and I glanced back. I ran I guess about half way to where I ducked down--about fifty feet from the car is where I ducked down, just over edge of hill. I guess I had run about twenty-five feet when I glanced back and saw the object about level with the car and it appeared about directly over the place where it rose from.

I was still running and I jumped just over the hill--I stopped because I did not hear the roar. I was scared of the roar, and I had planned to continue running down the hill. I turned around toward the object and at same time put my head towards ground, covering my face with my arms. Being that there was no roar, I looked up, and I saw the object going away from me, in a southwest direction. When the roar stopped, heard a sharp tone whine from high tone to low tone. At end of roar was this whine and the
