WHEN WRITING AFSCA, if you wish a personal reply to a specific inquiry, please enclose a stamped, self-addressed envelope. No replies can otherwise be sent. General information may be obtained via our brochures and magazines. We are sorry that we cannot have a lengthy correspondence with all the hundreds of persons who would like us to do so, but unfortunately we have neither the time nor the staff for it - and our mail has been greatly increased in the last few months.

SAUCER NEWS CLIPPINGS: Your response has been wonderful! We've received so many clippings from you helpful people that we simply hadn't enough space to print all your individual names and cities. So we say a big and sincere THANKS to all of you. And please do keep 'em coming! (One reminder: please DON'T write on or near the clippings.)

MEL NOEL, former Air Force Lieutenant and fighter pilot, is fast becoming very well known for his lectures on his amazing experiences with Flying Saucers while on active duty in the service. He has been speaking to capacity crowds wherever he goes. On Thursday, June 23, 1966, the personable Mr. Noel spoke to a standing-room only crowd at the Aeronautical Sciences Building on Beverly Blvd. in West Los Angeles. He leaves shortly for Mexico City, where he has been invited by an official government group to speak. He has been promised some interesting experiences by a local contactee there, and we look forward to hearing his report on his return! Good work, Mel, and good luck!
